Don't let the wear and tear of your staircase make your home fall short of spectacular! Replace, repair and revive your staircase to its natural shine with our complete line of stair components. With many styles to inspire you and beautiful, durable wood species to choose from, you are sure to have the staircase of your dreams!

Try our online configurator today to guide you through your project.

Board

Getting bored of your white walls?

Let your walls be your muse. Splash on a coat of paint and frame your work with boards and mouldings. Available in various species and sizes, their versatility make boards my favorite design accessory. They lend to great project ideas: Use them to build-up voluminous, beautiful mouldings, design wall and ceiling panels and build practical, sophisticated shelves.
